Every wedding is different - let us create the perfect package for your special day!

	Basic	Standard	Deluxe	Red Carpet Premiere
<p>Highlight Video A favorite among all couples! The highlights of your wedding day are artistically presented with cinematic effects such as slow-motion, black & white, and custom transitions.</p> <p>Set to the background music of your choice, this is the film segment everyone loves to watch most, and rarely is there a dry eye in the room when it's over! We'll even upload your highlight film to a shareable webpage so you can share with family and friends!</p>	●	●	●	●
<p>Pre-Ceremony We arrive early at the location of your ceremony and capture scenic and panoramic pictures of the grounds and the facility prior to your guests arriving, as well as closeups of all flowers and decorations both inside and outside.</p> <p>Guests are filmed as they arrive.</p>	●	●	●	●
<p>Ceremony Complete ceremony filmed, with a lapel mic clipped to the groom for crystal clear vows, as well as podium mics for your ministers and readers.</p>	●	●	●	●
<p>Coverage of Formal Photos Feel like a guest standing in the middle of the action as the photographer works with the family and bridal party.</p>	●	●	●	●
<p>Cocktail Hour We film the food spreads and guests mingling.</p>	●	●	●	●
<p>Reception We film all the key moments, such as introductions, first dance, speeches, parent dances, cake cutting, etc. Included is some highlight footage during dinner, and plenty of dancing!</p>	●	●	●	●

We mic your DJ or Band sound system for crystal clear introductions, vows, and a pounding music soundtrack!				
Deluxe edited DVD with interactive motion menus, artwork and jacket	●	●	●	●
Second cameraman at Ceremony A second camera at the ceremony adds numerous great angles from the front, including faces of parents and guests, as well as a second angle of the action from the front.		●	●	●
Coverage of the Girls Getting Ready We film all the ladies getting ready for the big day, and cover any formal photos your photographer takes prior to leaving for the ceremony.			●	●
Coverage of the Guys Getting Ready We optionally film the guys getting ready for the big day, and cover any formal photos your photographer takes prior to leaving for the ceremony.			●	●
2 free inlaw copies of deluxe edited DVD. Additional DVD copies are available with any package for only \$25 each.			●	●
Second cameraman at Reception The main camera will always be focused at the primary action going on. A second cameraman will capture lots of additional shots of family, bridal party and guests looking on, as well as great secondary angles of the action.			●	●
Photo Collage You choose the content - growing up, wedding photos, honeymoon, or whatever you wish! Artistically presented, set to the music of your choice.				●
Outtakes & Extras Expecting any characters among your bridal party and guests? Revisit your wedding day on a more humorous and lighter note. A collection of spontaneous and unplanned events throughout your day are compiled into a single video segment. Set to light-hearted music, this segment is sure to tickle your funny bone, as well as present your wedding day in a more informal and fun setting.				●
Post Wedding Interview After the honeymoon, sit down and talk about the highlights and favorite moments of your wedding experience. Interview footage is				●

TLJ Studios

<p>mixed with footage from the wedding to create a feature that will rival the best TV/cable documentary you have ever seen.</p> <p>Capture your emotions and feelings in a snapshot moment in time!</p>				
<p>Rehearsal / Rehearsal Dinner</p> <p>We capture the rehearsal, as well as the highlights of your rehearsal dinner.</p> <p>A must-have if you expect heartwarming speeches from your bridal party, family & friends!</p>				Ala Carte
<p>Love / Engagement Story</p> <p>We interview you on a variety of subjects - how you met, your first kiss, your dating experiences, the proposal, favorite qualities of your partner, how your life has changed with your partner, and where you see yourselves in the future.</p> <p>Combined with dating photos and edited to a light, reflective soundtrack, a delightful visual storybook of your unique story comes alive - a great addition to your DVD, and a superb video montage to play for your guests at the wedding reception.</p>				Ala Carte
