#### Ala Carte Items Add on one or more items below to your desired package to create a video that is unique for your wedding!

##### Wedding Day Highlight \$399 (included with all fully edited packages)

A favorite among all couples! The highlights of your wedding day are artistically presented with cinematic effects such as slow-motion, black & white, sepia, old-time film, and custom transitions. Set to the background music of your choice, this is the video segment everyone loves to watch most, and rarely is there a dry eye in the room when it's over!

##### Coverage at the bride's house as she gets prepared \$199

We film all the ladies getting ready for the big day, and cover any formal photos your photographer takes prior to leaving for the ceremony.

##### Pre-Ceremony preparations \$199

We arrive early at the location of your ceremony and capture scenic pictures of the grounds and the facility prior to your guests arriving, as well as closeups of all flowers and decorations both inside and outside. Guests are filmed as they arrive.

##### Photo Collage (customer selected pictures) \$199 per montage (3-6 mins each)

You choose the content - growing up, wedding photos, honeymoon, or whatever you wish! Artistically presented, set to the music of your choice.

##### Outtakes & Extras \$199

Expecting any characters among your bridal party and guests? Revisit your wedding day on a more humorous and lighter note. A collection of spontaneous and unplanned events throughout your day are compiled into a single video segment. Set to light-hearted music, this segment is sure to tickle your funny bone, as well as present your wedding day in a more informal and fun setting.

##### Rehearsal / Rehearsal Dinner \$599

We capture the rehearsal, as well as the highlights of your rehearsal dinner. A must-have if you expect heart warming speeches from your bridal party, family & friends!

##### Love Story \$799

We interview you on a variety of subjects - how you met, your first kiss, your dating experiences, the proposal, favorite qualities of your partner, how your life has changed with your partner, and where you see yourselves in the future. Combined with dating photos and edited to a light, reflective soundtrack, a delightful visual storybook of your unique story comes alive - a great addition to your DVD, and a superb video montage to play for your guests at the wedding reception.

##### Drone aerial footage \$399

Spectacular aerial shots of your venue add an incredible wow-factor to your wedding video. \* Subject to no-fly restrictions.

##### Additional video copies - DVD/BluRay \$25 each, Digital Thumb Drive \$75 each
